**Subject:** FW: Public Records Request: Visitor Logs between Jan. 1 - December 2015 for  
**Attachments:** Minter Dunleavy Email - Craven PRA.pdf

Jasper, Thank you for clarifying and narrowing your request. Attached please find the two emails that are potentially responsive. I have reached out to the AAGs who provide legal services to AOT and am advised that there are no additional records on this topic. We hope the above information is helpful to you. Please confirm receipt so we know if this email address worked. Thanks,

Sarah
