To custodian of records:

Under the **Vermont Public Records Law, §315 et seq.**, I am requesting an opportunity to obtain copies of public records that includes complete copies of all Data Breach Notifications filed per the **Vermont Protection of Personal Information Act (Vermont Statutes Chapter 62)**.

Please inform me of the cost of providing the records electronically in a structured format (e.g. XLS, CSV) via email or CD_ROM via mail. I am requesting information from when the law was enacted to the most current record submitted as of the date of this request. Specific information requested from each breach notification is all information contained in the above referenced Data Breach Notification Form, including name and address of Entity whose data was breached, submitted by, type of organization, number of persons affected, type of personal information accessed, data breach occurred/discovered/consumer notification, description of breach, information acquired, manner of notification, and identity theft protection offered.

If my request is too broad or does not reasonably describe the records, please contact me via email or telephone so that I may clarify my request, and when appropriate inform me of the manner in which records are filed, retrieved or generated.

Thank you for considering my request.

Sincerely,

Emily Chandler
