Martha R. Lang, Ph.D.

Dear Ms. Lang,

Thank you for your public records request to our Consumer Assistance Program “for any and all information the Attorney General's office has on UVM Medical Center changing the terms of the eleven endowments they were given that were less than \$50,000 and donated more than 20 years ago” and specifically relating to “eleven endowments given in perpetuity to the hospital between 1885 -1891 for a "free bed" for needy members of the community.”

Thank you for confirming the dates in question and providing me additional information about the nature of your request. Our office will perform a search and get back to you shortly in the New Year. You told me that given the holidays you understood our need for additional time.

Thank you for your patience. I look forward to providing you a response in the new year.

Sincerely,

A handwritten signature in black ink, appearing to read "C. Curtis", written over a horizontal line.
