Subject: Vermont Records Request
Date: Wednesday, January 16, 2019 7:40:50 AM

1/16/19

This Vermont Records Request seeks the *full and unredacted Vermont State Police computer forensics report into the Kiah Morris/James Lawton case* that culminated with Monday's press conference. There is no open or active case now so that report should be available to the public.

Please send this report digitally.

Thank you,
Joey Kulkin
Bennington
