RE: January 16, 2019, Public Records Request

Dear Mr. Kulkin:

I am writing in response to your request for records, which the Vermont Attorney General's Office ("AGO") received on January 16, 2018.

Request

You have requested electronic copies of the Vermont State Police computer forensics report into the Kiah Morris/James Lawton case.

Response

The AGO has located records in its possession that appear responsive to your request.

The records listed below are subject to production and inspection and are enclosed with this response. Some information within these records has been redacted pursuant to 1 V.S.A. §§ 317(c)(5)(A)(iii). Additionally, while federal courts interpreting the federal Freedom of Information Act have authorized the redaction of the names of investigating law enforcement officers and personnel employed by law enforcement agencies, the AGO is not redacting those names in this instance.
