**Re: Public Records Request**

Dear Colin:

I write in response to your Public Records Act request dated April 17, 2019. As discussed by phone today, in order to calculate a cost estimate, the Attorney General's Office has spent several hours locating documents potentially responsive to your request. On the phone I relayed that while we have not completed a detailed estimate, I expected the estimate to be in the thousands of dollars.

I understand that you are now conferring with your colleagues at VT Digger to determine best next steps. In the meantime, we will continue to prepare an estimate. If you decide to revise your request, please let me know at your earliest convenience. Thank you.

Sincerely,

A handwritten signature in cursive script, appearing to read "Charity R. Clark".
