~1 8 USC 1481 (a) (2) taking an oath or making an affirmation or other formal declaration of allegiance to a foreign state or a political subdivision thereof, after having attained the age of eighteen years... see <https://www.law.cornell.edu/uscode/text/8/1481>

COMMENT - Therefore once and oath is taken that person's citizenship is relinquished, that person becomes a foreign entity, agent, agency, jury members who take oaths etc. Applies to cops, agents, jurors, judges, and especially attorneys. Effectively every public office taken is a foreign state in relation to the US citizen, include political subdivisions, (ie; every single court and it's personnel, and or any and attorneys (judges included) is a separate foreign entity.

~2 22 USC Code 612 - Foreign Relations and Intercourse - Chapter 11 identifies all public officials as "foreign agents". See <https://www.law.cornell.edu/uscode/text/22/612>

~3 28 USC 3002 section (14) "State" means any of the several States, the District of Columbia, the Commonwealth of Puerto Rico, the Commonwealth of the Northern Marianas, or any territory or possession of the United States.

I do not reside in the state of Vermont, but in the territory of Vermont Vermont is not listed

in 28 USC 30002 section 14

~4 28 USC 3002 section (15) “United States” means—

- (A) a Federal corporation;
- (B) an agency, department, commission, board, or other entity of the United States; or
- (C) an instrumentality of the United States.

~5 See <https://www.law.cornell.edu/uscode/text/28/3002> - Therefore the United States is a Federal Corporation and not a “Government”, including the Judiciary. A corporation is always foreign entity to a man/woman.

~6 Federal Rules of Civil Procedure (FRCP) Rule 4(J) states: the court jurisdiction and immunity falls under a foreign state. States and its person are foreign to the US.

4(J) Serving a Foreign, State, or Local Government.

(a) Foreign State. A foreign state or its political subdivision, agency, or instrumentality must be served in accordance with 28 U.S.C. §1608.

(b) State or Local Government. A state, a municipal corporation, or any other state-created governmental organization that is subject to suit must be served by:

(1) delivering a copy of the summons and of the complaint to its chief executive officer; or

(2) serving a copy of each in the manner prescribed by that state's law for serving a summons or like process on such a defendant.

See <https://www.law.cornell.edu/rules/frcp>

~7 U.S. Constitution 11th Amendment - The Judicial power of the United States shall not be construed to extend to any suit in law or equity, commenced or prosecuted against one of the United States by Citizens of another State, or by Citizens or Subjects of any Foreign State.

See <https://www.law.cornell.edu/constitution/amendmentxi>

~8 Where are attorneys “licensed”? Is it your actual state or to the foreign BAR association.

~9 Requirement to file a Foreign Registration Statement per 22 USC 612

(a) Filing; contents No person shall act as an agent of a foreign principal unless he has filed with the Attorney General a true and complete registration statement and supplements thereto as required by subsections (a) and (b) of this section or unless he is exempt from registration under the provisions of this subchapter. Except as hereinafter provided, every person who becomes an agent of a foreign principal shall, within ten days thereafter, file with the Attorney General, in duplicate, a registration statement, under oath on a form prescribed by the Attorney General. The obligation of an agent of a foreign principal to file a registration statement shall, after the tenth day of his becoming such agent, continue from day to day, and termination of such status shall not relieve such agent from his obligation to file a registration statement for the period during which he was an agent of a foreign principal.

See <https://www.law.cornell.edu/uscode/text/22/612>

If this is not provided or disclosed when demanded it may equate to your violating:

~ 18 USC 1342 - Mail Fraud, Fictitious Name etc. - When they communicate with you using a fictitious strawman name (applies to you or them) or they fail to use their real full "given" name. As is the custom to be called Judge John H. Doe vs John Henry Doe. The middle initial or all capitalized letter or omission of a middle name is a sign to watch out for and does matter.

And more.
