We are in receipt of your request for records that was received by the Vermont Attorney General's Office on June 10, 2019.

The Attorney General's Office acknowledges that it possesses records it believes would be responsive to your request. The breadth of your request requires the review of a voluminous case file to properly respond. Therefore, the Attorney General's Office will exercise its right to the additional time necessary to prepare a response to your request that will include a potential cost estimate. That response will be within ten business days of your request.

Sincerely,

Paul A. Barkus
