Re: Public Records Request

Dear Mr. Duncan:

I write in response to your email reply dated September 23, 2019, a copy of which is attached for your convenience, along with your original Public Records Act request.

To eliminate the cost for your request, the Consumer Assistance Program can provide the initial complaint documents concerning "speculative tickets" and/or containing the following terms: "speculative ticket," "speculative tickets," "Vivid Seats," and "StubHub," dated between January 1, 2009 and July 1, 2019. These complaints would include the date of the complaint and the company it is against.

The Public Protection Division also located several responsive documents but the search time was de minimis and no redaction is required.

Please respond with how you would like to proceed. Thank you for contacting the Vermont Attorney General's Office.

Sincerely,

A handwritten signature in black ink, appearing to read "M. Braz".
