To whom it may concern,

I am submitting the following public records request:

Please provide me with any and all complaints related to entertainment, sporting events, ticketing companies or affiliated ticketed events which would include but not be limited to the following keywords: "tickets", "event", "concert", "box office", "theater", for the time period of January 1, 2016 through December 31, 2018.

I request a waiver of all fees for this request since the disclosure of the information I seek is not primarily in my commercial interest, and is likely to contribute significantly to public understanding of the operations or activities of the government, making the disclosure a matter of public interest. If access to the records I am requesting will take longer than one business day, please contact me with information about when I might expect copies or the ability to inspect the requested records.

If you deny any or all of this request, please cite each specific exemption you feel justifies the refusal to release the information and notify me of the appeal procedures available to me under the law.

Thank you.

Kind regards,

Jessica
