Moreover, pursuant to 1 V.S.A. §316, I am seeking the following public records for the past ten years (2010 – 2019) inclusive:

- A list of all cases by year and by case name in which the Attorney General (Civil Rights Unit) has entered an appearance in a civil or administrative (federal or state) forum to enforce the civil rights laws on behalf of an individual employee or former employee;
- A list of all cases by year and by case name in which the Attorney General has substantiated a civil rights violation by an employer, specifically identifying the employer and the nature of the violation that was substantiated.

Many thanks for your prompt attention to this matter.

Best,

Caroline S. Earle, Esq.
