Re: *Public Records Request – Seldon and Swanson v. Morin and Winand*

Dear Hannah:

I am writing in response to your request for records, which the Vermont Attorney General's Office ("AGO") received on October 28, 2019.

You requested that the Office provide a copy of "[a]ny and all complaints filed by a Ms. Jennifer Morin of Woodstock, Vermont to the State Attorney General's Office from 2012 to present, including but not limited to a complaint made by her against Nicholas Seldon and/or Joseph Swanson regarding an incident on June 10, 2017. In Addition to the complaint made regarding the June 10, 2017 incident, we are requesting the complete investigative file, including audio records or interviews conducted in the course of the investigation."

The communications covered by your request may contain records which will require redaction and others which may be exempt from disclosure pursuant to provisions contained within 1 V.S.A. § 317.

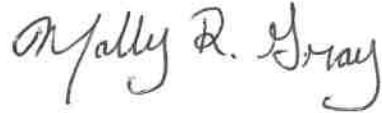

Your request requires the review of approximately 55 pages of electronic records. The cost of production is estimated as follows:

- | | |
|-------------------------------|---------------------------------|
| 1. Attorney review of records | 55 mins @ .57/minute (\$31.35) |
| 2. Admin redaction of records | 165 mins @ .45/minute (\$74.25) |

Should you wish for us to proceed with your request, please forward a check for the total estimated cost of \$105.60. If the actual cost to respond to your request is less than estimated, the difference will be refunded to you.

Should you have any questions regarding this matter or wish to modify or discuss your request please do not hesitate to contact me.

Sincerely,

A handwritten signature in cursive script that reads "Molly R. Gray". The signature is written in black ink and is positioned above the typed name.
