Hi, Professor Widman,

I write in response to your Public Records Act (PRA) request dated November 7, 2019 and which our office received on November 12, 2019. As I mentioned in my voicemail, I believe most, if not all, of what you are looking for can be found on our website. PRA requests from 2019 can be found on our website [here](#). As you can see, we publish all correspondence related to requests as well as the responses produced. I believe your request is similar to one made by Colin Meyn from VTDigger on April 17, 2019. If you scroll down to that date, you can find our responses. If you have any questions, I'd be happy to walk you through locating these responses.

Please let me know if the above is what you need. I will wait to hear from you before taking any further action on your PRA request.

Thank you,
Charity
