Re: Vermont Public Records Act request

Dear Mr. Page:

As I mentioned in our phone call after you submitted your Vermont Public Records Act request, we have been working on a cost estimate for your response. Your request was:

“Please give me 2019 public records on State of Vermont funding of Planned Parenthood to replace federal Title X funding lost under Trump administration decision this year.”

Based on our searches, there are potentially over 100 responsive records, not counting attachments to emails. Using the Uniform Fee Schedule created by the Vermont Secretary of State, and subtracting 30 minutes of time as free, the cost estimate for responding to these records is \$188.80. If you would like us to move forward with your request, please mail a check in the amount of \$188.80 to my attention at the address below. Should the actual time spent responding to your request be less than estimated, you will receive a refund check.

If you have any questions or would like to narrow the scope of your request, please feel free to give me a call. My work cell number is 802-917-1993.

We will wait to hear from you before taking further steps with regards to your request.

Sincerely,
