Hi Attorney Cornett: I expect to have the 1.24.20 request materials out to Mr. Hardin today or tomorrow. I will include the cost associated with that one in the cover letter and you can follow up with payment after you've received it. I hope to have the 10.19.19 request materials together to get to you next week and will include a cost statement in that cover as well. Thank you for asking.

Once you/EPA have received the materials, please feel free to reach out with any questions.

Thanks,

Rob McDougall

Mr. McDougall:

I hope you enjoyed your time out of the office. I wanted to circle back on the two requests of my client, one from 10.14.19 and the other from 1.24.2020. Would you like for EPA to go ahead and submit payment for both or how would you like to proceed?

Best,  
Neal Cornett

Attorney Cornett: We normally seek advance payment of costs over \$100, but because of the uncertainty of exactly how much this will cost, I will proceed with the review and invoice you for the cost with the production. If it appears that the review will cost more than the \$200 estimate, I will be back in touch before completing it.

Please be advised that I will be out of the office next week and will begin processing this request when I return.

Sincerely,

Robert McDougall

Mr. Dougall:

Thank you for your response. EPA is willing to pay for the review. Could you please provide instructions for how to proceed?
