Please describe the records you are requesting and provide as much specificity as possible, including applicable date ranges.	We request copies of any extant records, correspondence, memorandum, opinion, final decisions or announcements of the Attorney General's Office that relate to the disposition of the tangible or intangible assets of Burlington College, from July 1, 2018 to March 31, 2019. In particular, we are seeking information relating to the sale, transfer or other disposition of certain intangible assets held by Burlington College at the time of its closing and dissolution, particularly television, radio or any broadcasting station assets, licenses or similar assets. These may be covered by any other transfer information relating to "all assets, tangible and intangible, and all personal property." Also, if these are available to the public on a publicly-available URL, we would be grateful to be referred to such filings, and the AGO need not produce copies. Thank you for your kind assistance. M.C. Alcamo
