Thank you for your public records request of March 22, 2020. You requested: “copies of any extant records, correspondence, memorandum, opinion, final decisions or announcements of the Attorney General's Office that relate to the disposition of the tangible or intangible assets of Burlington College, from July 1, 2018 to March 31, 2019.” Specifically: “information relating to the sale, transfer or other disposition of certain intangible assets held by Burlington College at the time of its closing and dissolution, particularly television, radio or any broadcasting station assets, licenses or similar assets. These may be covered by any other transfer information relating to ‘all assets, tangible and intangible, and all personal property,’” for the requested period.

We have been unable to identify any records responsive to your request.

If you believe this response is in error or that documents were withheld in error you may appeal to Deputy Attorney General Joshua Diamond. I hope this information is helpful. Thank you for contacting the Office of the Attorney General.

Sincerely,

A handwritten signature in black ink, appearing to read "C. Curtis".
