Hi, John,

Unfortunately, I don't believe reducing the timeline will greatly reduce the costs. Nonetheless, we can get you a revised cost estimate limiting just the dates if that is your preference.

I would like to view the litigation documents, as well as anything related to Proposal 5 or Act 57.

I'm hopeful that reducing the timeline will reduce some costs, to the benefit of all.

Hi, John,

In regards to your PRA request, I have spoken to the AGO staff person who has a large majority of potentially responsive documents. Some of these documents relate to Act 57 and some to litigation. If you are primarily interested in documents related to Act 57, that would significantly reduce your costs. Would you like me to pull together a cost estimate for correspondence with Planned Parenthood relating to Act 57 from May 1, 2018 to May 10, 2019?
