Dear Mr. Hain,

I hope this note finds you well and that you are well and staying safe during this unprecedented time of national health emergency.

Thank you for your recent public records request of earlier today (June 22, 2020). After discussion, we agreed that I will provide you with the same information requested by another party consisting of public correspondence from third parties or members of Marlboro College itself regarding proposed transactions involving the sale of the campus or transfer of assets of Marlboro College. And/or, any public documents relating to the notice of said proposed transactions itself. You indicated you are aware of these being posted already, but wished to receive notice when they are posted in the future. I am happy to respond to your request when future correspondence is received and posted. I hope this is helpful.

Thank you for your interest in the office of the attorney general.

Best, Christopher
