Dear Mr. Pollard:

On June 19, 2020, you made two requests for public records to our office. On June 26, 2020, I sent the attached replies. As mentioned in the replies and my voicemail to you, before we can move ahead with collecting records in response to your request, the scope of your request needs to be clarified. Specifically:

- In both requests, who would you like to include in the ambit of “senior staff”?
- For the request regarding protests, what are the names, email address, and/or phone numbers of “protest organizers” you would like us to include in our search?

I don’t believe we have yet received the clarity requested. Once we hear from you as to these outstanding questions, we will move forward with completing your request. Until we receive these clarifications, no further action will be taken.

Sincerely,

Charity R. Clark
