Re: Responses to Vermont Public Records Act request, dated November 18, 2019, Tranche 3

Dear Mr. Klar:

The third tranche of records responsive to your Vermont Public Records Act (“PRA”) request dated November 18, 2019, later revised to encompass records during the period May 1, 2018 to May 10, 2019, is now available. Your request asked for the following records:

“[C]opies of public records that relate to communications between Attorney General TJ Donovan, (the Vermont Office of the Attorney General (VOAG), its employees or agents) and Planned Parenthood, or any organizations, superpacs, agents, representatives or employees thereof, and emails, documents, memoranda, notes, files or other data related thereto. Also requested are any and all internal VOAG or state interagency emails, documents, memoranda, notes, files or other data related to Planned Parenthood or its agents, representatives, employees or related entities, particularly but not limited to any communications of any kind related to Act 57 or Proposal 5.”

Documents that comprise Tranche 3 can be found [here](#). As previously mentioned, all requests for public records and responsive records can be found by year and requester name under the “Open Government” tab of our website [here](#).

In this tranche, you will see that some records have been redacted due to the exemption provided under 1 V.S.A. § 317(c)(7). If you believe any document has been redacted in error, you may appeal to:

Joshua Diamond, Deputy Attorney General
Vermont Attorney General's Office
109 State Street
Montpelier, Vermont 05609

Once we have collected an additional group of documents, I will send the fourth tranche of responsive records.

Sincerely yours,

/s/ _____
Charity R. Clark
