Re: Public Records Act Request

Dear Chris Collins:

After review of your records request dated October 13, 2020, we have determined that we have no records that are responsive to your request. The Consumer Assistance Program has no records of complaints against GoSolar NH, Under Cover Roofing Labor Inc, Tesla, SunCommon, or Vivint Solar between August 1, 2020-October 13, 2020 . In addition, we have no responsive records concerning legal actions against those companies between August 1, 2020-October 13, 2020.

A copy of your original request is attached for your convenience. To the extent you feel information has been withheld in error, you may appeal to the Deputy Attorney General, Joshua Diamond . Such appeal should be in writing:

**To ensure that your request(s) are met in a timely manner, in the future please request public records using one of the methods described on our website: <https://ago.vermont.gov/submit-public-records-request/>**

Lastly, I noticed in your request that you provide Sunrun as an example for searching business entities, but did not include it on your list of interested businesses. Upon searching for complaints against Sunrun, I determined that we have no records of consumer complaints filed against this business August 1, 2020-October 13, 2020.

Sincerely,
