Hello,

I'm writing to request the following records from the attorney general's office:

Any consumer/tenant complaints about landlords that have been submitted to the AG's office, dating back to March 16, 2020 (when the Vermont Supreme Court declared a judicial emergency, suspending all non-emergency court hearings, including eviction cases) up until the current day. To specify, these complaints may be in regards to hiked rents, landlords failing to keep basic maintenance and utilities running, or refusing to apply to the state's rental assistance program designed to erase back rent payments

Please deliver responsive records via email if possible, and provide an estimate if the charges exceed \$50.

Thanks,

Ethan
