Please describe the records you are requesting and provide as much specificity as possible, including applicable date ranges.	I would like copies of complaints and any information filed against JPS Contracting and the owner of the business, Justin Sally. I have been told by the Consumer Affairs Assistance Program from your office that 2 complaints exist that are closed and one is still pending. I would like only the closed complaints and any accompanying information. My understanding is they are both from the year 2020.
