PUBLIC INFORMATION REQUEST

To whom it may concern:

I am writing request access to and copies of information related to notices sent to the Office of the Attorney General pursuant to the Class Action Fairness Act of 2005, specifically 28 U.S.C. § 1715. In particular, I ask that the Office produce a list of all cases in which the Office received such a notice, including the case name, case number, and court. In addition, if possible, I also request any information about any response the Office made to the notice in court, including but not limited to intervening in the case, objecting to the settlement, or filing an *amicus* brief.

I would like to receive the information electronically, preferably in original electronic format. I agree to pay reasonable fees for the processing of this request up to \$50. Please notify me before incurring any expenses in excess of that amount.

This request is for a scholarly purpose and not for commercial use. I am a Professor of Law at Northwestern Pritzker School of Law, a law school that engages in research, teaching, and scholarship in the public interest. If possible, please consider waiving any fees that may be associated with this request.

If I can provide any clarification that will help expedite your attention to my request, please contact me at (858) 405-5485 or zclopton@law.northwestern.edu. I would appreciate your communicating with me by email or telephone, rather than by mail.

Thank you in advance for your assistance.

Sincerely,

Zachary D. Clopton
