Hi, John,

I hope you are well and I appreciate your continued patience. I will follow up internally to see about the final documents and be back in touch soon.

Thanks again,

Charity

Happy New year!.... Belatedly.

I hope you and your family are well, Charity.

May I inquire whether your office has completed compliance with my records request, or whether additional documents are yet to be procured?

Also, may I obtain an accounting of fees charged: I ethically owe it to the donors paying for these records to account to them for how their funds were expended by your office.

Thanks in advance!

Gratefully,

John Klar
