Please describe the records you are requesting and provide as much specificity as possible, including applicable date ranges.	I am looking for any records on applications made by towing companies for an abandoned motor vehicle certification. If possible, I would like to know which and how many certifications were granted and which and how many were not. I am also seeking the records of which towing companies submitted these applications and which towing companies applications were approved. I am also seeking how many of these granted certifications resulted in the transfer of the title of the abandoned motor vehicle to the towing company and to which towing companies they were handed to. If possible, I am requesting any records that fit into what I have described above dating back five years.
