Hello,

Thank you for your Public Records Act request. Concerning the scope of your request, it would be helpful to understand who you mean by “the Attorney General’s Office.” Is there a certain person, or persons, or division within the office whose communications you seek? To the extent it’s helpful, a list of divisions can be found here at the sidebar to the left: <https://ago.vermont.gov/about-the-attorney-generals-office/>

Also, the way I read your request is for all communications, both electronic and hard copy. Is that what you mean by “all records and electronic communications”? Or did you have a different type of record in mind?

Once we have clarity concerning your request, we will proceed with preparing a cost estimate. More information about the Public Records Act may be found on our website here: <https://ago.vermont.gov/open-government/>

If responding by phone is easiest, I can be reached at 802-917-1993.

Thank you,

Charity
