Dear Lejla:

Our office received your request for public records on April 26, 2021. Your request was for:

“Access to and a copy of all records containing the following entities, names and email domains that are listed below:

1. "Heritage Action"
2. "Heritage Foundation"
3. @heritageaction.com
4. "@heritage.org
5. Hans von Spakovsky
6. Jessica Anderson

The search for records should include the Attorney General and any staff at the Attorney General's office.”

The timeframe of your request was August 30, 2020 to the date the search is performed.

Your request is extremely broad in that roughly 150 people would meet your definition of “any staff at the Attorney General’s Office.” I recommend you try to narrow your request to the relevant divisions you believe possess the records you seek. More information about the Attorney General’s Office and our divisions can be found on our website [here](#). Once you have the division(s) in mind, we will prepare a cost estimate for you. To give you a sense of the potential cost, you may wish to review the Uniform Fee Schedule, available [here](#). Note that the first 30 minutes of time our office spends responding to a public records request is free.

We will wait to hear from you before taking further steps. If you wish to speak by phone, please feel free to call my cell phone at 802-917-1993.

Best,
Charity
