Subject: RE: Request to Obtain Records Related to Voter Fraud Investigations

Dear Ms. Steele:

No documents exist that are responsive to your request. No funds are specifically dedicated to investigating and prosecuting voter fraud; resources for such activity come from the Attorney General's Office general fund. There have been no court cases filed by this Office to prosecute voter fraud during the relevant time period, and therefore no convictions.

Please let me know if you have any further questions.

Eleanor L.P. Spottswood
Assistant Attorney General
Chief, Civil Division
Vermont Attorney General's Office
