Dear Mr. Glawe,

I emailed you on Monday, May 3<sup>rd</sup> requesting clarification and/or narrowing (at your invitation) of your recent public records request (received April 30<sup>th</sup>). In the absence of a response I must invoke an extension of 10 days to respond pursuant to 1 VSA 318(b)(5) due to the broad nature of your original request, and due to the nature of remote work during the pandemic. Furthermore, in the absence of a narrowing of your request I will need to request an agency-wide estimate from all Divisions of the time and expense associated with your request before we respond to it.

If you wish to narrow your request to records associated with the Public Protection Division (Consumer Protection/Antitrust) please let me know. Thank you for your consideration.

Best, Christopher
