Dear VT AGO,

I have requested all Documents sent to your office from Marlboro College in the past, so this request may be a bit redundant.

I am searching specifically for Notice to the VT AGO from Marlboro College under 11B V.S.A §12.02(g) when Marlboro College entered into a 99-year lease agreement with the Marlboro Music Festival and also gave them right of first refusal for purchase the campus. The agreement has been recorded in the registry of deeds with the town of Marlboro VT.

Please provide this document as soon as possible or please confirm that it does not exist. Please also provide a copy of any written waiver of this section if issued by the VT AGO.

I would like to have this information, if possible, in time for the upcoming hearing scheduled for April 9,2021. Save Vermont Colleges Corporation intends to submit a Motion for Intervention as well as an Amicus Brief and it is for this reason that I request these documents or confirmation that they do not exist.

Thank you.

regards,

Martin Heck
