**Please describe the records you are requesting and provide as much specificity as possible, including applicable date ranges.**

To Whom It May Concern:  
Under the Vermont Public Records Law, §315 et seq., I hereby request to the following records:

A log of public record describing Cyber Data Breaches and Notifications reported to the Attorney General's office that lists the Organization name, date(s) of Breach, date(s) when Breach was reported and a copy of the sample Notice of Data Breach letter. Ideally we would like this information for the period from 2018 to the present.

If there are any fees for searching or copying these records, please inform me via email if the cost will exceed \$50.00. I would prefer the request filled electronically, by e-mail attachment or copying to secure cloud file.

The law requires a response to this request within 2 days, or within 10 days for extraordinary circumstances. If access to the records I am requesting will take longer than this amount of time, please contact me via email with information about when I might expect copies or the ability to inspect the requested records.

Thank you for considering my request.

Best regards,  
Robert Talac, COO
