Dear Mr. Schroeder:

The Vermont Attorney General's Office has received your request for public records. You requested:

"[I]nformation on racial preference and/or racial discrimination enforcement, as it applies to government employment, government contracts, and public university admissions between January 2017 and today:

- Any internal policy guides, memos, or guidance on this matter.
- Any reported cases on this matter.
- Any enforcement or cease and desist letters on this matter."

Your request is broad and seems to implicate multiple offices in Vermont state government. In order to comply with your request, I will need clarity concerning the scope of the records you seek. Also, I would be happy to assist you with a referral regarding records that are not in our custody. Please give me a call at your convenience. I can be reached at 802-917-1993.

Thank you.

Charity
