To whom it may concern,

Hello, I hope you are doing well! I am writing to formally request Attorney General's Office records under the Vermont Public Records Law, §315 et seq. I am requesting the following information on racial preference and/or racial discrimination enforcement, as it applies to government employment, government contracts, and public university admissions between January 2017 and today:

- Any internal policy guides, memos, or guidance on this matter.
- Any reported cases on this matter.
- Any enforcement or cease and desist letters on this matter.

I would like to receive the information in electronic format. If you do not maintain these in electronic format please provide a sample of the format these are maintained in before fulfilling the request.

I am requesting a fee waiver. Pacific Legal Foundation is a 501(c)(3) that provides information to the public. The information will not be used for commercial purposes. Disclosure of the public information will contribute significantly to the public understanding of the operations or activities of the government.

If you estimate that fees will be necessary to fulfill this request, please inform me first. In addition, if the request will take longer than the time allowed by the law, please provide a date when you expect to be able to send the records.

This request should be considered severable. If you deny any or all of this request, please cite each specific exemption for your refusal to release the information and notify me of the appeal procedures available to me under the law.

If you have any questions, please feel free to contact me at Dschroeder@pacificlegal.org or 540-421-4941.

Thank you,

Duncan Schroeder
