Dear Ms. Miche:

I write in response to your request for public records sent on October 17, 2021 and received by our office today. You requested "all criminal records pertaining to a William Kord Schwartz ,47 of Middlebury Vermont. He was arrested with the department of corrections for Vermont ID: Eo1548637701399242236419741001."

The Attorney General's Office (AGO) is able to furnish public records of which it is the custodian. Requests for records in the possession of, for example, a county state's attorney or the Vermont Department of Corrections, would need to be directed to those agencies. A list of Vermont's state's attorneys can be found [here](#). The form to request public records from the Vermont Department of Corrections can be found [here](#).

I will have the AGO's Criminal Division perform a search for responsive records and they will be in touch with you directly with a response.

Regards,
Charity
