Subject Susan Pierce DOB [REDACTED]

Message My name is Sherri Sargent. I am grasping but hope you can help me.

Back in the early 2000s, while working in Bradford, Vermont as a registered nurse, my mother stole narcotics from dying patients to feed her addiction. Once sentenced and while incarcerated, my mother, Susan Pierce was featured in the DVD produced by the State of Vermont Office of the Attorney General Medicaid Fraud & Residential Abuse Unit released in 2006. I came across this DVD while cleaning out my mother's house. I vaguely remember her mentioning she was involved in some sort of video making while serving in Windsor, Vermont but I did not know about the DVD until it was found.

My mum is now in a home and has dementia.

I would like to watch the production however the DVD is missing from its case. Is there another copy you might be able to send to me or perhaps an electronic copy of the DVD? I went online in the hopes it was uploaded but was unable to find it for viewing. I know it is a long shot but I am hoping her words to the camera crew will offer me some peace as to how and why this happened to such a seemingly caring nurse. I am just hoping for a bit of closure.

Thank you for your time.

Sherri Sargent
