Please describe the records you are requesting and provide as much specificity as possible, including applicable date ranges.

My name is Andrea and I work for a Colorado-based software company called Simplifya. We offer compliance and analytics services for cannabis companies and ancillaries, including a service called Simplifya Verified that tracks licensed cannabis businesses by state.

Currently I am working on behalf of our cannabis industry clients to gather information about the licensed cannabis businesses in Vermont. I was hoping to find out what license information you are able to provide about Dispensary, Cultivation Centers and Laboratories that are licensed through the state. I've found the DPS Marijuana Registry site with the Dispensary Information for Patients.

Specifically I'm hoping to find out the Vermont Marijuana Registry Certificate Numbers, addresses, and status attached to Dispensary, Cultivation, and Laboratory facilities that have active licenses through the State.
