Hello Vermont Attorney General's Office,

My name is Justine Arens, and I am with InvestigateTV, part of Gray Television.

In accordance with Vermont public records law, I am requesting the following records:

- Any formal or informal complaints filed with the Attorney General's office or state justice department regarding the price of insulin in general from January 2016 to present.
- Any formal or informal complaints filed with the Attorney General's office or state justice department from January 2016 to present, regarding insulin products including (but not limited to): Lispro (Humalog), Aspart (Novolog), Glulisine (Apidra), Regular (R) or novolin short-acting insulin, Velosulin (for use in the insulin pump), NPH (N), Insulin glargine (Basaglar, Lantus, Toujeo), Insulin detemir (Levemir), Insulin degludec (Tresiba), Humulin 70/30, Novolin 70/30, Novolog 70/30, Humulin 50/50, Humalog mix 75/25.

I am seeking these documents in an electronic format if at all possible. If there will be any fees incurred to fulfill this request, I request you inform us before any processing is done. These records are in the public interest through news media reporting, and I have no commercial interest in the records.

Additionally, if this request is denied or if documents are redacted in any way, I request you cite the specific statute that governs the restriction.

I've copied my colleague Emily Featherston on this request. Her phone number is (504) 940-4838.

If there are any questions or clarifications needed, please let us know.

Thank you,

Justine Arens
