Re: Vermont Public Records Act Request

Dear Mr. Carr:

I write in response to your Vermont Public Records Act request, received on March 3, 2022. In that request, you sought: "Any and all documents referring or relating to Woodbine Senior Living, LLC and/or Spring Village at Essex, including but not limited to all documents relating to allegations of their violations of Vermont's Consumer Protection Act and the Assurance of Discontinuance, as well as all communications."

During our telephone conversation of March 3, 2022, I indicated that, pursuant to 1 V.S.A. § 318(a)(5)(B), my Office would likely require more than three (3) business days to provide an initial response to your request. I write simply to formally invoke our right to additional time to respond, due to our need to search a voluminous number of records in response to your request.

We will further respond within ten (10) business days of the receipt of your request.

Thank you.

Sincerely,

Jamie Renner
Assistant Attorney General
