Anthony:

In our last phone call, we narrowed your PRA request to correspondences between my Office and the family complainants relating to Spring Village at Essex. Based on that narrowed request, I estimate that our response will cost approximately \$460 (up to 12 hours staff time at \$0.45 / min. & up to 4 hours attorney time at \$0.57 / min.). If our time spent fulfilling the request clocks in at under \$460, the State will issue you a refund check for the difference. If we anticipate that fulfillment of the request will require more than \$460, we will notify you of the same to discuss your preferred next steps.

Our Office requires payment of the estimated response fees prior to fulfillment of the request. Accordingly, to enable us to fulfill your request, please make a payment of \$460 to the State of Vermont through this portal:

<https://appengine.egov.com/apps/vt/ago/onlinepayment>

Please notify me when the payment has been made. Once I confirm the funds were received, we'll process your request and provide the requested documents electronically.

If you prefer to mail a check for the \$460, please let me know and I'll provide relevant information.

And please let me know if you have any questions.

Regards,  
Jamie
