Ms. Galloway,

I am writing regarding your two outstanding Public Record Requests to Attorney General Donovan, which were received Monday evening, March 28th. One request seeks exhibits identified as being presented to witnesses in FBI reports. The other seeks communications by a number of named and unnamed individuals regarding various Jay Peak related projects, other projects, and various media personnel, and was also sent to Secretary Kurrle.

Pursuant to 1 V.S.A. 318(b)(5), we are invoking the 10 day extension to respond to your request. The extension is necessary for the proper processing of the request as there is a need to search for, collect, and appropriately examine voluminous records, and due to the need to consult with other agencies having a substantial interest in the request.

Thank you.
