Good afternoon Liam,

I am writing regarding your November 16, 2021, public records request regarding the officer-involved shooting that took place on August 5, 2021. I will send you a One Drive link shortly containing a redacted video file of the body camera footage that captured the event. Based on our previous correspondence, my understanding is that this resolves your pending records request in this matter.

Please let me know if you need any additional information, or have any questions regarding the video or other records provided.

Take care,

Sophie Stratton
