Yes, please. Is there a good time (or two) for you? Please let me know and we can set it up.

Jacob, would you please arrange a meeting link when we hear from Mr. Linares and his colleagues?
Thank you!

Dear Mr. Linares (et al.),

We are attempting to pull old records through our IT system. Unfortunately, in exporting them we are having difficulty reading the files to determine if they are responsive to your request. Accordingly, we will need additional time to respond to the request.

I am currently traveling, but will be in the office tomorrow. Will you agree to wait for response until we can talk then and discuss realistic timeframes and likely costs associated with this request? Please confirm. Thank you.

Best, Christopher
