RE: Request for Records Pursuant to the Vermont Freedom of Information Law

Dear Sir/Madam:

My firm, Consumer Litigation Associates, P.C., represents several clients who have claims against Experian and Equifax. Under the Vermont Public Records Law, §315 et seq., I am requesting an opportunity to inspect or obtain copies pertaining to:

- *All Office of the Attorney General records regarding all administrative, agency, or consumer complaints forwarded to Equifax, Transunion, or Experian regarding the reporting of "tribal loans" or other high-interest loans within consumer credit reports.*
- *All documents received from Equifax, Transunion, or Experian regarding such complaints.*

If there are any fees for searching or copying these records, please inform me if the cost will exceed \$300.00. However, I would also like to request a waiver of all fees in that the disclosure of the requested information is in the public interest and will contribute significantly to the protection of their consumer rights.

The statute requires a response within two business days, or within ten days for extraordinary circumstances. If access to the records I am requesting will take longer, please contact my office with information about when I might expect copies or the ability to inspect the requested records.

If you deny any or all of this request, please cite each specific exemption you feel justifies the refusal to release the information and notify me of the appeal procedures available to me under the law.

Should you have any questions or concerns about this request, please see contact information below.

Sincerely,

Adam Short
