Dear Requestor,

We are in receipt of your public records request, dated June 21, 2022. We understand your request sought documents produced by this office on April 14th and 15th of this year to Anne Galloway in response to her public records requests. We are sending you links to download those productions today. The first of those links, for a production of documents related to interviews conducted by the US Attorney's Office, will be to a zip file approximately 180MB in size. The second of those links, for a production of approximately 40,000 pages of communications of State officials concerning Jay Peak, will be to a download of a production file just under 10GB in size. Please let me know if you have any difficulty accessing these files.

Sincerely,

A handwritten signature in cursive script that reads "James Layman".
