Subject: RE: Public Records Request Form Form submitted on Office of the Vermont Attorney General

Dear Ms. Staake,

I understand you are seeking public records related to a septic tank permit and easements on a property. The Attorney General's Office is not the custodian of the records you seek. You may wish to reach out to the Agency of Natural Resources using the information at: <https://anr.vermont.gov/public-records>. You may also wish to reach out to your local town office. We hope this information is helpful to you.
