Leah Korce:

Thank you for clarifying your intent to narrow your July 13, 2022 request to only what you have excerpted below from your July 18, 2022 e-mail. My apologies for the confusion. With that, I can estimate that the fees to be assessed to process your request will not exceed \$50.00 and so, as I previously mentioned, will plan to reach out to you with any responsive non-exempt records by the end of the day Tuesday, August 2, 2022.

Thank you.

I did not narrow my request to mirror my original June 29th PRA. I narrowed the scope of my July 13th PRA in my email from the 19th to the following:

If it helps narrow the search, I'm looking for records regarding when (approximate month or date) the practice of including "do not darken my door" or "non-rehire" clauses was eliminated in State of Vermont employee settlement agreements per the AGO and any communications regarding not including such clauses in SOV employee settlement agreements to Governor's office and/or DHR.

It is the above narrowed scope related records I am seeking; not a cost estimate of the original 13th request as that request was narrowed on the 19th.

The denial reason below is non-responsive to the PRA from July 13th, as narrowed on the 19th.

Again, a response to my July 13th PRA - narrowed on the 19th, was due on the 10th business day which was yesterday. What date can I expect my response?

Thank you,
Leah
