To Whom It May Concern:

My name is Jeremy Ayotte. I think it was back in June or July I filed a complaint with the Secretary of State's office. I was concerned that Protect our Wildlife of Vermont, VCCC, VWC, and HSUS are not registered as lobbyists even though they have each spent over \$500 in the last legislative session trying to influence policy for animals/hunting. The Secretary of State office sent me an email saying that they agreed and would send it for the Attorney General's office of Vermont. S of S have no enforcement division. If this case is still being investigated as an open case I understand. However, if this case was rejected or investigated with final results I'm requesting a freedom of information act. I'd like to have all information regarding this release to me please. If there's additional paperwork that you're requesting for me to fill out can you please send me a copy of that so I can comply.

Sincerely,  
Jeremy Ayotte
