**Subject:** VTDigger records request

Hello.

I am a reporter for VTDigger, and I am filing a request under Vermont's Public Records Law (V.S.A. §§ 315-320) for the following documents:

-- any and all documents related to active or inactive investigations or pending or non-pending charges involving Cynthia Diaz in her role as either Coventry town clerk, delinquent tax collector, treasurer or a citizen of Vermont.

Under the Public Records Law, the requested documents are to be made available within three business days of receiving my request. If the records are in active use or in storage, a records custodian shall set a time within seven days of the attorney general's office receiving my request to provide access to the records.

Please alert me of any charges associated with my request before processing it. If more information is needed to process my request or narrow it, please feel free to contact me.

I can be reached here, by email, or by phone: [774-644-2207](tel:774-644-2207).

Thank you.
